

**SANT LONGOWAL INSTITUTE OF ENG.& TECHNOLOGY,
DEEMED UNIVERSITY UNDER MHRD, GOVERNMENT OF INDIA
DEPARTMENT OF TRAINING & PLACEMENT**

**Dated-24/8/2016
94171-17990 (M)**

**Prof.(Dr.) Ravi Kant Mishra
Head**

Greetings from SLIET Longowal !

First of all we wish to introduce our Institute 'SLIET' with your good self. Sant Longowal Institute of Engineering and Technology (SLIET), Longowal, was established by Ministry of Human Resource and Development, Government of India in the year 1989. Since then marching ahead, recently SLIET, achieved 56TH Rank in year 2016 by NIRF-MHRD-GOI.

Today the Institute enjoys its status at par with NITs, IIMs, Central Universities and other CFTIs. SLIET offers six Masters Program in Engineering courses, nine Bachelors Program in Engineering courses, ten Integrated Certificate-Diploma (ICD) courses in addition to Ph.D courses in various disciplines.

The Degree courses offered are in Computer Science and Engineering, Electronics & Communication Engineering, Instrumentation and Control Engineering, Chemical Engineering, Mechanical Engineering (Spl. in Manufacturing Engineering), Mechanical Engineering (Spl. in Welding Technology) and Food Engineering & Technology. Our Engineering graduates spend 3 years after diploma, 4 years after 10+2 and 6 years after matriculation in the institute to acquire technical knowledge which provides them with technical edge over others.

Our alumni have been performing quite well in companies such as (but not limited to) TCS, ISGEC, GE India, Afcons Infra., Honda, L & T, Hero Group, Trident Group, Godrej, Vardhman Industries, Mahindra & Mahindra, Microsoft, Reliance, Infosys, Hewlett Packard, LG, Wipro, Honeywell, Shell to name a few.

We at SLIET always strive to forge stronger relations with industries for the mutual benefit through exchange programs, expert lectures by industry professionals, sharing of R&D facilities, consultancy, student's projects, industrial training etc.

To strengthen all the above listed activities, we are going to conduct on INDUSTRY INSTITUTE INTERACTION (III-16) PROGRAMME-2016 ON 16TH-17TH SEPTEMBER, 2016 AT SLIET LONGOWAL, PUNJAB. Following are the main objective of the Programme:

- (a) To enhance Industry-Institute Partnership/ Interaction Cell activities of every department.
- (b) Organizing Workshops, Conf. and symposia with joint participation
- (c) Encouraging engineers from industry to visit institution to deliver lectures/sharing industrial experience.

- (d) Arranging visits of student's /staff members to industry on mutual agreement
- (e) Explore the possibilities for professional consultancy by the faculty to industries
- (f) Joint research programmes and field studies by faculty and people from industry
- (g) Explore the possibilities to sign Memorandum of Understanding (MoU) between the SLIET and industries to bring the two sides emotionally and strategically closer.
- (h) Short-term assignment to faculty members in industries, monitoring, training of SLIET students
- (i) Visiting faculty/ professionals from Industries.
- (j) Explore the possibilities for Professional Chairs sponsored by industries at the SLIET.
- (k) Scholarships/ fellowships instated by industries at the Institute
- (l) To evolve educational programmes which are consistent with the broad requirements of the industry and that can give rise to engineering personnel capable of coping-up with the accelerating pace of the technological development.
- m) Any other matter in your mind which may serve the purpose with in available resources.

You are requested to participate in **Industry Institute Interaction at SLIET Longowal on 17th September, 2016** and share your knowledge/ convey your expectation from Academia. Kindly provide us your consent for the same at the earliest (It is convenient on or before 30/08/2016 through email)
